

fetch_remap_support_t

```
graph BT; A[fetch_helper_t] --> B[fetch_remap_support_t];
```

A diagram showing a dependency. A box labeled 'fetch_helper_t' at the bottom has a blue arrow pointing upwards to a box labeled 'fetch_remap_support_t' at the top. The top box has a gray background, while the bottom box has a white background. Both boxes have a black border.
